SIS30413 Cert III in Outdoor Recreation

This qualification provides the skills and knowledge for an individual to be competent in guiding outdoor recreation activities in a controlled environment. It requires technical knowledge of the outdoor recreation activity to be conveyed to allow individuals to safely participate in the outdoor activity. It does not provide the skills and knowledge to impart the required level of technical knowledge and expertise to allow participants to independently undertake outdoor recreation activities.

You may be working in differing environments such as water-based, dry land and mountainous terrains, using a diverse range of equipment.

Our course seeks to prepare you for the work you will be doing in your company. Some of these skills will need to be updated regularly.

You will need to complete 24 units, consisting of 12 core units and 12 elective units.

Core units:
